

EU/EFTA resident students

We strongly recommend that you contact your home country Health Department **before entering Switzerland** to ask for a **European Health Insurance Card (EHIC)** in case you do not have one yet.

Copy of your Swiss Residency Permit, EHIC, ID document, and certification of enrollment at Franklin University Switzerland (FUS) will be sent to every office involved in the process of obtaining the legalization of your EHIC in Switzerland, ensuring your coverage while enrolled at FUS.

Please be aware that a “Health Insurance Deposit” will be charged to your FUS student account until the entire process is concluded upon receipt of **the final recognition of your EU/EFTA Health Coverage from the Ticino Department of Health Insurance.**

Medical bills will be sent directly in your name and you will be responsible for managing them carefully and timely.

For more details and for a **summary of medical benefits**, please visit the web page of **KVG**.
