### IMPORTANT!

This form should be returned with parental signature directly to the student. Independent travel from the course destination is trip dependent and subject to professor approval. If the professor is allowing independent travel from the course destination at the completion of the course, the required form with parental signature must be submitted by the student directly to the professor by the deadline. Forms submitted after that deadline will presumably be denied and the student will be expected to return with the group to Lugano.

The student is responsible for submitting the form to the professor. Forms should not be sent directly from the parent to the professor, as the professor needs to meet with the student to approve the independent departure.
